

User instructions

In the guide you will find one municipally owned parking area which charge a fee. This is in thanks to that the guide, moreover available online, also is sold locally at the Tourist Info in Enköping.

Symbols and legend are on page 108

There are two rows of symbols. The top row shows what you should know before you start your journey, while the second row shows what facilities are available at the hosts.

QR-code: This year's guide contains for each host a QR-code that can be scanned with a mobile phone. The QR-code opens Google Maps for directions. More instruction at page 106.

Phone

Some hosts want you to call in advance . This is indicated in the guide. It is not possible to reserve a space.

Electricity

For electricity, you may be charged a fee.

GPS

Presented GPS coordinates are in **decimal format**, e.g.

Latitude: N 59.7738 Longitude: E16.9264

The content of the guide and GPS coordinates may not be compiled, published or distributed.
